AI TOOLS & LICENSING POLICY

Using AI Tools at ONDC

ONDC encourages the use of AI licenses to boost productivity and learning — used responsibly, within these guardrails.

GUARDRAILS

Company-paid = official email only
Licenses must be registered on an ondc.org ID. Personal-email purchases are not reimbursable.

Prefer monthly over annual
The AI landscape moves fast — keep license commitments monthly, not annual.

Stay compliant
Follow info security, confidentiality, and data protection guidelines while using any AI tool.

File claims in Zoho Expense
Use correct ONDC billing details at the time of subscription.

Notice period? Function Head approval needed
Employees serving notice need Function Head approval for any license renewal, regardless of cost.

MONTHLY COST LIMITS & MECHANISM

License Type	Monthly Limit	Mechanism
Employee's choice	**₹5,000**	Direct reimbursement — no approval needed
With Function Head pre-approval	**₹10,000**	Reimbursement, once HOD pre-approval is in place
Nuanced / higher-value licenses	**> ₹10,000**	HOD approval + standard procurement process

Zero tolerance for fake receipts
Fake or inflated receipts — license purchased or not — will lead to severe disciplinary action, including termination.

Personal use should stay limited to learning/experimentation — not commercial or external professional work.
